ORANGE COUNTY & LA COUNTY'S
TOP WATER HEATER PROVIDER

WE'RE EVERY WATER HEATER'S **SECRET WEAPON**

Picture this: You're going about your day, following your routine, when you notice that something is off. Your hot water isn't working, and the culprit is obvious – your water heater. No one likes dealing with the hassle of waiting for a repair team to fit you into their busy schedule. Instead, choose the team that works around your life, not the other way around! At Speedy Water Heaters, we're here to provide simple solutions for all of your water heater issues, with the fastest service in town.

Michael was a great technician who showed up very quickly to an emergency water heater problem. The company had all parts needed on hand and replaced everything within hours of me contacting them. Highly recommend!

Christina R.

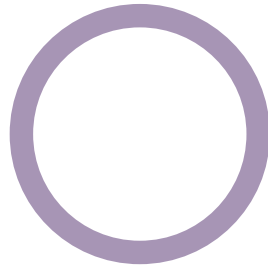

THE SPEEDY PROCESS

A PROCESS THAT WORKS

Reach Out To Our Team

Give us a call or fill out our contact form to get in touch with our technicians. We'll get back to you to schedule an appointment ASAP!

Estimate & Planning

After our inspection, we'll give you a detailed estimate of the work that needs to be done, as well as different options available to you.

We Show

Our team is known throughout California for our light installations (never sacrifice of course).

OUR COMPANY PROMISE

YOUR PROBLEMS ARE OUR PROBLEMS

Here at Speedy, we don't separate our clients into "us and them." We think of you as our teammates. And as valued members of our team, we prioritize your needs, making sure that you feel supported and secure through every leak, creak, and replacement!
